

# WORKSTANDS, SCAFFOLDING & DRYWALL CARTS

## Workstands

### Step-Up Mobile Workstands

#### Examples of Usage Three Design Uses

- Workstand providing the user with a safe, efficient means of accessing up to an average of 4' from floor level
- Material Cart providing the user with the means of safely moving working materials around a site
- Work Bench providing users with a handy place to work with hand tools

#### Workstands

- Two 14-gauge steel platforms
- Four 5" locking casters
- One folding structure

Part No.	Model No.	Height	Load Capacity	H x L x W	Price /Each
0540189	SU-4	4'	500 lbs.	51-1/2" x 48" x 22"	\$282.12
0540190	SU-5	5'	600 lbs.	61-1/2" x 56" x 25"	382.32
0540191	SU-6	6'	600 lbs.	72" x 56" x 25"	434.05

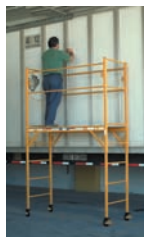

## Scaffolding

### Scaffold Important Safety Considerations:

- Do not stack more than three units
- Only stack complete units
- Always use four outriggers when stacking
- As units are stacked, the load capacity decreases by the weight of the units stacked
- Guardrails are required at platform height of 10' or higher

### Single Unit 29" W x 78" H x 72" L

Part No.	Model No.	Parts Included	Capacity	Price /Each
0540184	660/wPIC5	2-Ladders 2-Trusses 1-Platform 4-5" Casters w/brakes	1,000	\$636.44

### Outrigger

Outriggers must be used when stacking units to increase the width of the base 20" (51 cm) on all four sides. Casters sold separately.

Part No.	Description	Price /Set
0540185	PO-100/4	\$270.18

### Guard Rail 29" W x 40" H x 72" L

Part No.	Description	Price /Set
0540186	GK6	\$303.34

## Drywall Carts

### Drywall Carts Model PD-2

- Economical back tube frame suitable for most applications
- 3000 lbs. load cap.
- Two fixed rigid casters, two swivel casters
- 8" polypropylene casters
- Platform 12" x 43-5/8"
- 47" H x 43-5/8" L x 22" W

Part No.	Price/Each
0540192	\$321.36

### Model PD-3

- Perimeter tube frame for extra strength and durability
- 3000 lbs. load cap.
- Four swivel casters with optional position locks
- 8" polypropylene casters
- Platform 12" x 43-5/8"
- 47" H x 49-3/4" L x 22-1/2" W

Part No.	Price/Each
0540193	\$374.35

### Model PD-4

- Inset back tube frame for turning tight corners, moving through doorways
- 3000 lbs. load cap.
- Four swivel casters with optional position locks
- 8" polypropylene casters
- Platform 12" x 43-5/8"
- 47" H x 49-3/4" L x 25" W

Part No.	Price/Each
0540914	\$470.71

### Model PD-5

Stand panels up or lay them flat. A PD-5 works better both ways. Put the bar in storage position for space saving transport.

- Removable back support with 2 position locks
- 3000 lbs. load cap.
- Unitized steel construction.
- Electrostatic epoxy powder coating.
- 8" x 2" W swivel casters with optional position locks.
- 8" polypropylene casters
- Over 20% larger wheel base.

Part No.	Price/Each
0540195	\$551.62
