- Q Shelf boltless shelving combines the strength of 14 gauge steel framing with the economy of high quality 5/8" industrial grade particle board shelving
- Q Shelf hammers together neatly, seats firmly and is self-squaring. The units use no x-braces, allowing easy access to all sides of every shelf
- Each shelf level is adjustable on 1-1/2" vertical increments. Additional shelf levels are available for all units where capacity permits
- These shelving units contain all of the steel components required to assemble the units below. The particle board shelf decks are not included
- Q Shelf hammers together neatly, seats firmly and is self-squaring.
- No X-bracing allows for easy access to all sides of every shelf
- Additional shelf levels are available for all of our shelving units where capacity permits
- Shelf capacities are based on evenly distributed loads

PART NUMBERS DO NOT INCLUDE PARTICLE BOARD SHELVES.
