

## Dome Mirrors

- VISION dome mirrors are widely used for surveillance purposes in retail and industrial environments.
- All mirrors are individually packed with heavy duty steel mounting brackets and installation instructions.
- Dome mirrors help prevent accidents at blind corners, intersections, entrances and exits.
- Provide surveillance of premises, merchandise, assembly line, production machines and staff.
- An inexpensive and dependable element for factory or warehouse safety and they are completely maintenance free, aside from general cleaning.
- Deters theft and vandalism.
- Acrylic dome mirrors are lightweight, with very high impact resistance and good durability.

### Full Dome - 360° Dome

- Specifically designed to maximize useable viewing areas.
- Full dome is suspended from the ceiling and provides a 360° view.

Part No.	Model No.	Description	Price /Each
1011451	D1800	18" Acrylic Full Dome 360° Mirror	\$42.94
1011452	D2600	26" Acrylic Full Dome 360° Mirror	74.04
1011453	D3600	36" Acrylic Full Dome 360° Mirror	112.04

### Half Dome - 180° Dome

- Provides a 180° view, perfect for 3-way intersections.
- Widely used for surveillance purposes to fight against shoplifting.

Part No.	Model No.	Description	Price /Each
1007611	H1812	18" Acrylic Half Dome 180° Mirror	\$40.98
1011454	H2612	26" Acrylic Half Dome 180° Mirror	46.82
1011455	H3612	36" Acrylic Half Dome 180° Mirror	69.86

### Quarter Dome - 90° Dome

- Best used for 2-way intersections.

Part No.	Model No.	Description	Price /Each
1007612	Q1814	18" Acrylic Quarter Dome 90° Mirror	\$20.99
1011456	Q2614	26" Acrylic Quarter Dome 90° Mirror	29.26
1011457	Q3614	36" Acrylic Quarter Dome 90° Mirror	38.32

## Industrial Sorbents

### MRO Plus™

SPC MRO Plus™ is a highly effective universal sorbent for both oil and water. A heavyweight, gray dimpled material combining thickness, strength and high absorbency, low-linting MRO Plus™ is suitable for virtually any industrial application. MRO Plus™ contributes to economy, too. Perforation permits the use of precisely the right amount, and the product's dirt-masking gray color fosters longer use before disposal. Incineration residue of MRO Plus™ is less than .02% ash. Available in a variety of pad sizes, and in a variety of perforated and unperforated roll sizes.

Part No.	Model No.	Size	Description	Price /Case
500188-131632	MRO100	15" x 19"	100 pads/case - Full size perforated	\$103.00
500190-131632	MRO15-P	15" x 150'	1 roll/case - Perforated every 18"	95.57
0600546	MRO15-DP	15" x 150'	1 roll/case - Dbl. perfed every 9" & up center	105.59
500189-131632	MRO30-P	30" x 150'	1 roll/case - Perforated every 30"	141.86
0600547	MRO30-DP	30" x 150'	1 roll/case - Dbl. perfed every 15" & up center	154.54
1005394	MRO300	15" x 19"	100 pads/case - Medium weight	83.00
1005397	MRO350-DP	30" x 150'	1 roll/case - Med. weight, double perfed	130.15

### Universal Plus™ Chemical Absorbents

SPC Universal Plus is a specially developed chemical sorbent with properties that make it ideal for hazardous liquid cleanup. Versatile and cost-effective, Universal Plus can be used on a wide range of chemicals, including hydrofluoric acid. It's fast wicking action minimizes the problems of hazmat spills. And this remarkable effectiveness results in faster cleanups and reduced exposure for workers. Universal Plus is chemically inert, so it will not react with aggressive fluids. Leaves only .02% ash. It is available in pads and rolls.

Part No.	Model No.	Description	Size	Price /Case
500155-131632	UN1113	200 pads/case - Dispenser Box	12" x 12"	\$142.00
500161-131632	UN1719	100 pads/case - Perfed, dimpled universal	15" x 19"	142.00
500158-131632	UN3800	1 roll/case - Dbl. perfed, every 15" & up center	30" x 150'	179.06

### GP™ - All-Purpose Economy

Economically priced GP "general purpose" maintenance pads can be used to clean up virtually any liquid. GP is gray in color to help hide the dirt. GP pads are also now made with MAXX Technology — offering enhanced quality and improved performance at a cost effective price.

Part No.	Model No.	Size	Description	Price /Case
0600545	GP200	15" x 19"	200 case, Light Weight	\$104.00

### UXT™ Universal Xtra-Tough Sorbents

UXT is both abrasion resistant and non-abrasive. UXT features 3-ply construction of a double-sided low linting coverstock and meltblown core. The result is maximum strength and absorbency for cleaning/wiping surfaces.

Part No.	Model No.	Size	Description	Price /Case
500143-131632	UXT100	15" x 19"	100 pads/case, Heavyweight	\$104.00
