

3M™ Particulate Respirators

3M™ Particulate Respirator 8511, N95

For grinding, sanding, sweeping and other dusty/hot operations.

The 3M 8511 Respirator is uniquely designed to help provide comfortable, reliable worker protection. With the Cool Flow exhalation valve, you can wear it in hot or humid environments.

- Adjustable M-noseclip helps provide workers with a custom fit and reduces the potential for eyewear fogging.
- Braided headband provides both comfort and durability for the worker.
- The patented filter media features advanced electret charged microfibers for easier, cooler breathing and enhanced wearer comfort.
- Its one-way 3M Cool Flow exhalation valve offers easy exhalation and cool, dry comfort in hot or humid environments.

3M™ Particulate Respirator 8210, N95

For woodworking, foundries, grinding, sanding, sweeping, bagging and other dusty applications.

The traditional 3M Particulate Respirator 8210, N95 is the industry standard with features to fit your customer's needs.

- NIOSH approved N95 respirator provides 95% filtration efficiency against solid and liquid aerosols that do not contain oil.
- Adjustable noseclip helps create a custom fit, secure seal, and reduces eyewear fogging potential.
- Lightweight construction promotes greater worker comfort that can contribute to increased wear time.

3M™ Particulate Respirator 9211/77022 (AAD), N95

For general maintenance, grinding, sanding, sweeping, bagging and other dusty/hot operations.

3M's Particulate Respirator 9211 has comfort, style, and fit. It is convenient, comfortable, and conformable to a wide range of face sizes.

- NIOSH approved and provides 95% filtration efficiency against solid and liquid aerosols that do not contain oil
- It conforms to a wide range of face sizes and offers convenient storage and portability prior to use.
- Individual packaging helps prevent contamination during storage and allows for easy dispensing.
- Its lightweight, collapse-resistant design promotes greater worker comfort and can contribute to increased wear time.

1003616	9211	3M #9211 N95 Trifold Filtering Facepiece Respirator w/Valve – 10/box	\$17.56
1003615	9210	3M #9210 N95 Trifold Filtering Facepiece Respirator w/Valve – 20/box	22.84

3M™ Particulate Respirator 8211, N95

For grinding, bagging, sanding, sweeping, buffing, cement, poultry, textile, lime and other dusty/hot operations.

- Recommended for aluminum industry and nuisance level acid gas relief.
- Lightweight construction promotes greater worker comfort.
- Adjustable noseclip provides a custom fit, secure seal, and reduces the potential for eyewear fogging.
- All filter design provides economical protection, promotes easier communication, and has a flame resistant outer shell.

Part No.	Model No.	Description	UOM /Each
1006473	8000	3M Particulate Respirator 8000, N95 (30 pack)	\$15.22
1001932	8111	3M #8110S, N95GN purple – 20/box	25.54
1003613	8211	3M #8211, N95 Filtering Facepiece Respirator with Valve and faceseal – 10/box	27.85
1001938	8271	3M #8271 P95 Facepiece Particulate Respirator for sanding/grinding – 10/box	32.83

3M™ Welding Respirator 8514, N95, with Nuisance Level Organic Vapor Relief

For welding, torch cutting, brazing, soldering, metal pouring, stainless, galvanized and aluminum applications.

- At least 95% efficiency for protection against solid and liquid particles - excluding those containing oil.
- Specifically designed for use in work application where metal fumes may be present - welding, brazing, grinding, metal pouring, etc.

Part No.	Model No.	Description	UOM /Each
1001933	8214	3M #8214 Metal Fumes – welding/cutting Particulate Respirator N95 – 10/box	\$80.14
1001942	8514	3M #8514 N95 Facepiece Particulate Respirator Aluminum/Stainless Steel Welding – 10/box	67.96

3M™ Particulate Respirator 8212, N95, with Faceseal

For welding, torch cutting, brazing, soldering and metal pouring.

- For use in work application where metal fumes may be present.
- Welding respirators are disposable and available with faceseal or the 3M Cool Flow Exhalation Valve.

Part No.	Model No.	Description	UOM /Each
1001931	8212	3M #8212 N95 Facepiece Particulate Respirator Welding/brazing/solder – 10/box	\$71.63
1002824	8515	3M #8515 N95 Particulate Respirator Welding/soldering – 10/box	30.84
