Work Platforms

7061029

Adjustable Height Steel Work Platforms

Simply turn feet to adjust height, place several units together for larger areas. Heavy duty serrated grating provides excellent slip resistance. Platforms 24" to 48" have 4 legs, longer platforms have six legs. All platforms come with heavy duty powder coated paint. 500 lb. Capacity! Heights extending between 9" and 14" also available!

Heights extending between 5"-8"

Scaffolding

PERRY

Scaffold

Important Safety Considerations:

- Do not stack more than three units
- Only stack complete units
- Always use four outriggers when stacking
- As units are stacked, the load capacity decreases by the weight of the units stacked
- Guardrails are required at platform height of 10' or higher

Single Unit

29" W x 78" H x 72" L

Part No.	Model No.	Parts Included	Capacity	Price /Each
0540184	660/wPIC5	2-Ladders 2-Trusses 1-Platform 4-5" Casters w/brakes	1,000	---

Outrigger

Outriggers must be used when stacking units to increase the width of the base 20" (51 cm) on all four sides. Casters sold separately.

Part No.	Description	Price /Set
0540185	PO-100/4	---

Guard Rail

29" W x 40" H x 72" L
