

## Environmental and Industrial Oil Sorbents Cont.

### UXT™ Universal Xtra-Tough Sorbents

UXT is both abrasion resistant and non-abrasive. UXT features 3-ply construction of a double-sided low linting coverstock and meltblown core. The result is maximum strength and absorbency for cleaning/wiping surfaces.

### MRO Plus™

SPC MRO Plus™ is a highly effective universal sorbent for both oil and water. A heavyweight, gray dimpled material combining thickness, strength and high absorbency, low-linting MRO Plus™ is suitable for virtually any industrial application. MRO Plus™ contributes to economy, too. Perforation permits the use of precisely the right amount, and the product's dirt-masking gray color fosters longer use before disposal. Incineration residue of MRO Plus™ is less than .02% ash. Available in a variety of pad sizes, and in a variety of perfed and unperfed roll sizes.

### Universal Plus™ Chemical Absorbents

SPC Universal Plus is a specially developed chemical sorbent with properties that make it ideal for hazardous liquid cleanup. Versatile and cost-effective, Universal Plus can be used on a wide range of chemicals, including hydrofluoric acid. It's fast wicking action minimizes the problems of hazmat spills. This remarkable effectiveness results in faster cleanups and reduced exposure for workers. Universal Plus is chemically inert, so it will not react with aggressive fluids. Leaves only .02% ash. It is available in pads and rolls.

### Gray All-Purpose Moderate Chem Resistance

An all-purpose maintenance SOC with moderate chemical resistance that makes it suitable for most industrial applications.

- Can be wrung and reused
- Can be incinerated
- Brown in color

Part No.	Vendor No.	W.	L.	Absorption Capacity	Container Type	Type	Price
500148-131632	AW806	3"	96"	12 gal per case	Case	Sock	---
500147-131632	AW412	3"	48"	12.0 gal/bale	Case	Sock	---

### 3" x 4' Gray Allwik All Purpose SOC

SPC MRO Plus is a highly effective universal sorbent for both oil and water.

- Incineration residue of MRO Plus is less than .02% ash

0600633	AW430	3"	48"	30 gal/case	Case	Sock	---

### Slikwik SOCs™

SPC offers a wide array of SOCs, the dependable, flexible tubes that contain and absorb liquids. Contributing to cleaner and safer work environments, SOCs mold around corners and conform to uneven surfaces to prevent and soak up spills and drips. These products are available in a variety of types and sizes, so the one you choose will be just right for your application. SOCs are an everyday working tool for major industries, including chemical plants, heavy and light manufacturing, transportation, printing, and public utilities. They include: For quick, dependable pick-up of all but aggressive fluids. Slikwik® An exceptional value, corncob-filled Slikwik SOCs.

0500174	SW-46	3"	3-1/2 ft	20.0 gal/bale	Case	Sock	---

### 3"x4' Blue Universal Diking SOC CobraCoil Industri

Cobra Coil is an excellent dike to prevent flow of liquids while providing ample absorbency for all fluids, including most aggressives. Not for use on hydrofluoric acid.

Part No.	Vendor No.	W.	L.	Absorption Capacity	Container Type	Type	Price
0500173	CC400	3"	48"	3.3 per case	Box	Sock	---

### 3"x 4' SOC For Non Aggressive Liquids Multiwik Sor

Multi-purpose SOC filled with universal polypropylene for non aggressive liquids.

Part No.	Vendor No.	Absorption Capacity	Container Type	Type	Price
0500187	MS-50	38.0 gal/bale	Box	Sock	---

### Wringable/Incinerable SOC

Specialized SOC for use against oil and petroleum based spills.

- White in color
- Oil Only SOCs will not absorb water or water-based solutions
- Oil only SOCs are wringable and incinerable.
