0608688	300 g	Blue	Medium Strength	90 min	---

**Loctite® 2423™ Low Odor Medium Strength Threadlocker**

Designed to have extremely low odor. Particularly suitable for applications on less active substrates such as plated surfaces, where disassembly with hand tools is required for servicing.

Part No.	Container Size	Color	Performance	Fixture Cure Time	Price
0608694	50 ml	Blue	Medium Strength	5 min	---

**Loctite® 262™ Threadlocker, Medium to High Strength Threadlocker**

A permanent threadlocker for fasteners up to 3/4" (20 mm) diameter. High lubrication for easy assembly. Excellent for preventing rust and corrosion in extreme chemical/environmental conditions.

**Loctite® QuickStix™ Threadlocker**

These patented new stick products offer great flexibility for tough applications, especially overhead, under or around machinery, and on components that cannot be moved. The solid formula also means they won't spill or leak in toolboxes or shop floors. The complete QuickStix™ product line is convenient and small enough to be "pocket friendly". Each product has colorcoded caps for easy application or product identification.
