

Wipers

Cloth Wipers

All materials are carefully selected for weight, color and size and are produced from new and reclaimed fabrics. These materials are cleaned and sterilized to ensure top quality consistency with every order. All 25# and 50# boxes have cut-out handles for easy lifting and relocation of cartons and a perforated knock-out panel on one side making for neat and easy dispensing.

- 685023-131637: Post-Consumer Recycled White Sheeting is an economical low lint, light weight cotton material that works well for painters, cleaning windows, and delicate tasks.
- Post-Consumer White Reclaimed Diaper Material 685020-131637: This highly absorbent low lint premium wiper is primarily used for polishing cars, furniture, glass, mirrors.
- 685021-131637 and 0685031: This highly absorbent premium wiper is made from New White T Shirt Material. It is primarily used for applications that require a soft absorbent material like auto body paint and repair and other painting applications.
- 685022-131637: Post-Consumer Recycled Colored Sweatshirt Material is generally used to clean up heavy grease and grime. This heavy weight cotton material is durable absorbent, and low lint.
- 685024-131637, 0600241 and 685030-131637 Post-Consumer Recycled Colored T-Shirt (Polo Knit) Material is a low lint, soft, absorbent material. Ideal for grease, oil, and general purpose wiping.
- 685025-131637: Post-Consumer Recycled Colored Terry Towel Material is a combination of terry and turkish towels that provide high absorbency, durability, and softness for use in cleaning, polishing, and buffing.
- 685029: Post-Consumer Recycled White T-Shirt (Polo Knit) Material is highly absorbent. Ideal for body and paint shops.
