

## OUT WITH THE OLD...IN WITH THE BLUE!

Fastenal's FMI program makes it simple and affordable to any sized operation to implement a state-of-the-art bin system backed by local Fastenal store service.

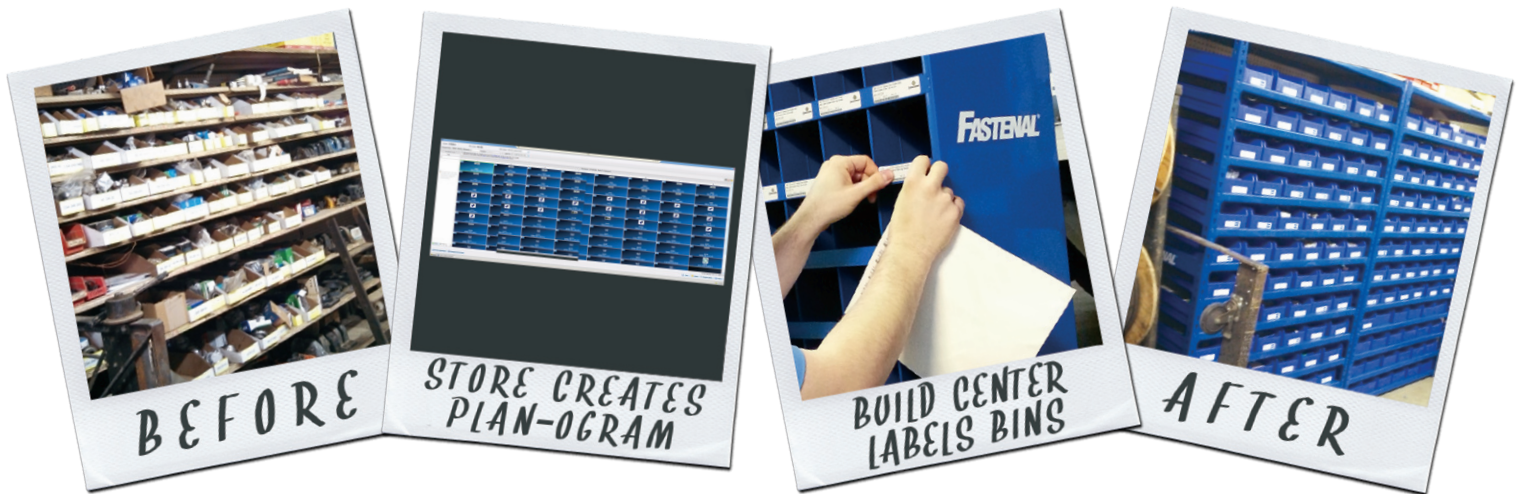

### FEATURES:

- Fastenal provides the bins
- Bin labels are vinyl, washable, removable, and have a color image of the product
- FMI Service Agreement provides a clear understanding of the partnership and expectations

### BENEFITS:

- The most professional bin stock available keeps your operation organized and your employees productive
- No capital investment for new storage equipment
- Backed by your local BLUE TEAM...local service, inventory management, and inventory stocked to support your dynamic needs
