### **ABOUT TCPN**

TCPN is a national governmental purchasing cooperative, established in 1997 whose contracts have been competitively bid and awarded, by a governmental entity serving in the lead agency role, to national vendors for commonly purchased products and services, including facilities, furniture, office supplies and equipment, security systems and technology. Entities that must comply with purchasing procedures mandated by state laws and regulations, like public and private schools, colleges and universities, cities, counties, nonprofits, and all governmental entities, use TCPN contracts to increase efficiency and economy when procuring goods and services.
