# ...A TOTAL COST SAVINGS SOLUTION

- **Immediate** access to locally stocked products, including items stocked specifically for your business
- On-site, on-call service from an individual who's 100% responsible for meeting your supply needs
- A level of effort, collaboration, and accountability that you just can't get out of a catalog

## Fastenal Managed Inventory

- Eliminate stock-outs
- Reduce on-hand inventory to free up cash
- Cut operating costs with a streamlined process
- Increase revenues with an efficient material flow and better use of labor dollars

## Fastenal Solutions

Affordable technology solutions to help you spend less and work smarter, including the SmartStore™ point of use vending program:

- Immediately reduce product consumption
- Increase inventory turns
- Track all transactions to improve visibility

View more Fastenal Solutions at [fastenal.com](http://fastenal.com)

## Manufacturing & Machining

- Standard, semi-standard, and custom parts produced at 4 locations
- Reverse engineering
- Tool & cutter grinding
- Instant price quotes and expedited lead times for commonly ordered parts

## E-Business Solutions

- [fastenal.com](http://fastenal.com) – Order approval process, eQuotes, orders can flow to local store
- Integration solutions – Streamline processes, improve accuracy, view real-time usage data
  - Built on open industry standards; partnerships with Ariba, SAP, Oracle, DataStream/Infor, and others

## Engineering & Lab Services

- Fastenal Engineering & Design Support (F.E.D.S.) – Our engineers can answer your fastener questions, provide application testing and training, and help you use fasteners more efficiently during production
- A2LA Accredited Calibration & Lab Testing – Dimensional, mechanical and chemical analysis of Fastenal and customer products; calibration of testing/measuring equipment

## Industrial Services

- Custom Bandsaw Blade Welding
- Cut to Length Metal, Chain & Cable
- Custom Chain Sling Fabrication & Inspection
- Hydraulic Hose Assembly
- Tool & Hoist Repair & Certification
