

YOUR LOCAL SOURCE FOR MILLIONS OF PRODUCTS

Can't find it on our shelves? We can source and stock it for you.

METALWORKING & CUTTING TOOLS

- Holemaking and Drilling
- End Mills
- Taps and Threading
- Turning and Milling Cutters
- Reamers
- Countersinks
- Collets, Chucks and Accessories
- Broaches
- Router Bits

TOOLS & EQUIPMENT

- Air Filters & Fans
- Air Tools
- Clamping & Holding
- Corded & Cordless Power Tools
- Flashlights & Batteries
- Hand Tools
- Inserts & Tool Bits
- Measuring, Leveling, Testing & Inspection
- Power Equipment
- Repair & Replacement Parts

CHEMICALS & PAINTS / JANITORIAL

- Adhesives
- Cleaners, Degreasers & Electrical Cleaners
- Lubricants, Oils, Metalworking Fluids
- Metalworking & Welding Chemicals
- Paints, Marking & Accessories
- Silicones, Caulks & Sealants
- Threadlocking Chemicals

PRECISION MEASURING, TOOLING COMPONENTS, & WORKHOLDING

- Calipers
- Micrometers
- Indicators
- Rules
- Machinist Squares
- Gages
- Precision Vises
- V-Blocks

ABRASIVES AND DEBURRING

- Bonded Abrasives
- Super Abrasives
- Coated & Non-woven Abrasives
- Production Abrasives
- Deburring Products
- Files
- Sand Blasting Media and Equipment

HYDRAULICS, PNEUMATICS & PLUMBING

- Clamps & Collars
- Fittings
- Flow Control
- Hose & Hose Products
- Power Drive

MATERIAL HANDLING

- Casters & Wheels
- Ladders
- Material Moving Equipment
- Packing Products
- Storage Equipment
- Tape

We have thousands of parts that are certified for vending. Below is a sample of certified parts that are ready to vend for machine shop needs.

CUTTING TOOLS

- Drill Bits
- Reamers
- Counterbores
- Taps & Dies
- Thread Mills
- End Mills
- Indexable Tooling
- Carbide Inserts

ABRASIVES & DEBURRING

- Grinding Wheels
- Cutting Wheels
- Carbide Burs
- Deburring Blades/Handles
- Files
- Wire Brushes

PRECISION MEASURING

- Calipers
- Micrometers
- Indicators
- Center Finders
- Magnifiers
- Gauges
- Punches
- Scribes
- Rules

MACHINE TOOL ACCESSORIES

- Cutting Fluids
- Marking Products
- Tooling Components
- Clamping Products
- Die Springs

SAFETY SUPPLIES

- Gloves
- Respirators
- Ear Plugs
- First Aid
- Safety Glasses
- Sorbents

FACILITY MAINTENANCE/SHOP SUPPLIES

- Can Liners
- Paper
- Tapes
- Glass Cleaners
- Paper Wipers & Towels
- Pens, Pencils & Markers

LOCAL STORE SERVICE

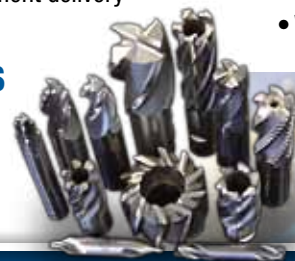

- 2,600+ stores nationwide
- 24-hour emergency service
- Flexible purchasing options: walk-in, phone, fax, or ecommerce
- Just-in-time ordering and fast fulfillment delivery
- Value-added services

MANUFACTURING SERVICES

- Metals, Alloys & Material Services
- Tool & Cutter Grinding

INDUSTRIAL SERVICES

- Custom Chain Sling Fabrication & Inspection
- Cut-to-Length Metal, Chain & Cable
- Hose Fabrication
- Tool & Hoist Repair & Certification
- Weld-to-Length Bandsaws

Cost Reduction Program Metalworking

Reduce Consumption, Inventory & Downtime
with 24/7 access, usage tracking and local restocking

FAST 4000CT™

FAST 5000™ and Lockers

METALWORKING COST REDUCTION PROGRAM

Fastenal is proud to present our FAST CT machines, the larger FAST 4000CT and the more compact FAST 2000CT. Fastenal provides the machines and keeps them filled, providing an extremely cost-effective solution for you to reduce consumption, inventory and downtime.

HOW IT WORKS

1. Worker swipes ID badge/enters key code, makes product selection
2. If request is authorized, the product is dispensed and the transaction is tracked
3. Go online to manage settings and view real-time usage reporting by technician and RO#. Schedule automated reports and alerts
4. Fastenal restocks the units based on electronic notifications triggered when an item goes below the minimum level

IDEAL FOR PRODUCTION SHOPS, MANUFACTURING CELLS AND SMALL WORK AREAS

- Reliably dispenses indexable inserts and round tools – either individually or in custom amounts
- Capable of dispensing and tracking individual tools by employee and job number
- Real-time reporting via your PC, tablet or smart phone – on demand or scheduled
- Automated re-ordering backed by local Fastenal store service
- Runs on the same user-friendly software as the FAST 5000 and other FAST Solutions
- Flexible access control and limits
- Alerts and alarms

	FAST 4000CT™	FAST 2000CT™
INSERT CAPACITY	480 Individual Part Locations (24 SKUs x a quantity of 20 per SKU)	240 Individual Part Locations (12 SKUs x a quantity of 20 per SKU)
ROUND TOOL CAPACITY	160 Individual Part Locations (16 SKUs x a quantity of 10 per SKU)	60 Individual Part Locations (6 SKUs x a quantity of 10 per SKU)
TOTAL MACHINE CAPACITY	40 individual SKUs with 640 inventory positions	18 individual SKUs with 300 inventory positions
MACHINE DIMENSIONS	33"W x 27.5"D x 38.5"H (On Pedestal, Height is 68")	27"W x 10"D x 31.5"H

Fastenal's locker units are a great solution to provide immediate yet controlled access to bandsaw blades. As part of our "Machine Behind the Machine," Fastenal can custom-weld bandsaw blades to your specifications and keep them stocked in your locker units.

THE FAST SOLUTIONS ADVANTAGE

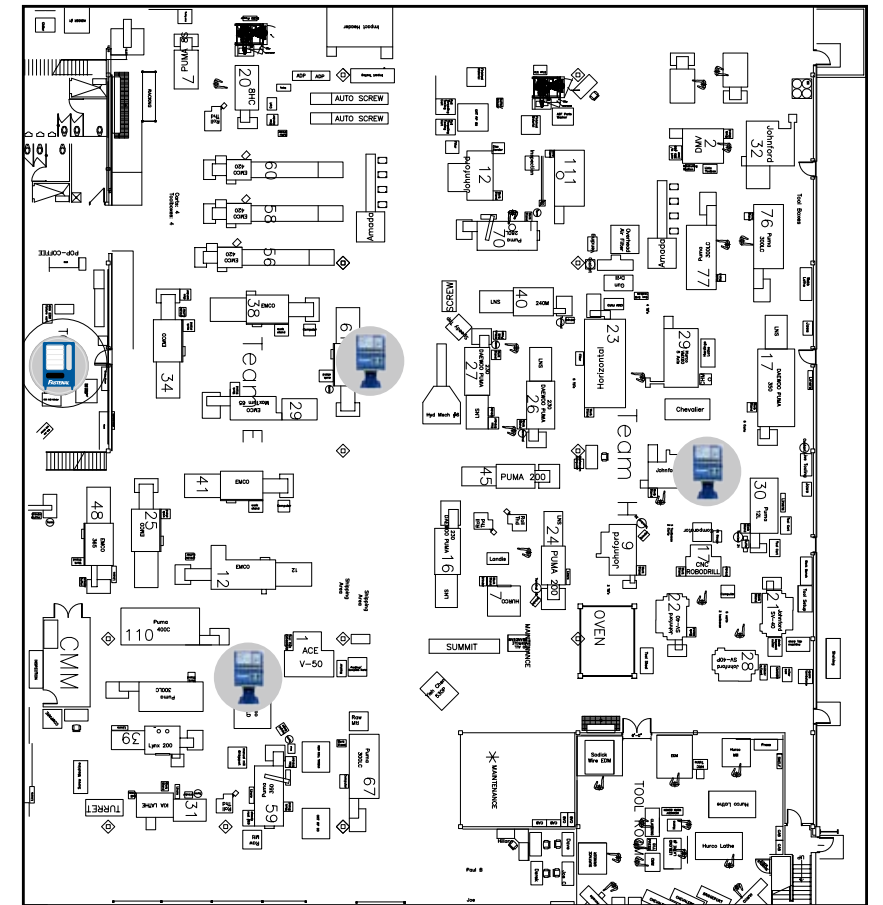

1. **NO Capital Expense** - Fastenal absorbs the cost of the machine, installation, training, product packaging, and inventory management. Your only program cost is a low annual software hosting fee.
2. **A Turnkey Solution** - Fastenal handles everything from machine delivery and installation to product packaging and re-stocking, saving you time and money.
3. **Flexible Web Reporting** - Use our secure reporting website to manage your machine's settings and view real-time inventory and usage data.
4. **Easy Installation and Operation** - All you need to get up and running are a 110V outlet and an open Internet connection. Requires minimal effort from your IT personnel.

"Fastenal's high-touch customer service and needs-based approach has set a new supplier standard worldwide. When discussing processes, our relationship manager discovered an opportunity to present a value line of cutting tools, inserts and coolants. Fastenal's MFG/Metalworking Specialists reviewed our needs and began a conversion process to their proven solutions and equipped us with vending services that reduced inventory costs and supplies us just-in-time. Fastenal isn't our supplier – they are our partner."

Jason Gilmore – Chief Operating Officer, Manown Engineering Company
Bonifay, Florida

BRING THE TOOL CRIB TO THE POINT OF USE

Our compact, low cost solutions allow you to install multiple machines throughout the shop for maximum productivity
