Lean and Six Sigma principles, cost reduction
concepts, and demonstrations of Fastenal's lineup
of inventory management solutions.*

INDUSTRIAL VENDING (Fastenal Automated Supply Technology) is a next-generation point-of-use industrial vending solution that allows you to immediately reduce product consumption, on-hand inventory, and administration costs, while providing new insight into usage and spending. It's perfect for lean environments and affordable for any sized business.

STOREROOM MANAGEMENT (inplant service / integrated supply) out-source your entire MRO crib to an onsite Fastenal store. By letting Fastenal manage inventory you will save labor, inventory carrying cost, and cash flow on lead times with consigned product for your plant.

COMMERCIAL and INDUSTRIAL LIGHTING as a partner with TVA Energy Right, Fastenal can help you improve light quality, efficiency, and quality control all while reducing the overall operational costs of lighting.

OSHA ~ Audit Readiness and your PPE program: Solutions to minimize your safety incidents and costs. Fastenal's Safety Specialist program addresses the core safety challenges your company may face – before they become problems or citations. We're here to answer your questions regarding regulations and create an annual plan that will help drive down incident rates and insurance costs, and assist during plant audits.

OEM Hardware and Class-2 Commodities: Fastenal offers a compelling value proposition for our OEM customers: dedicated local inventory and personnel, backed by consistent contract pricing and wide-ranging services, solutions and specialists. OEM solutions can include kanban, just in time (JIT), 6 Sigma, point-of-use delivery stations, and other lean concepts.

Vendor Managed Inventory (VMI) this program makes it simple and affordable for any sized operation to implement a state-of-the-art bin system backed by local Fastenal store service. This program allows our customers to be more productive & profitable, by providing you with a professional way to keep your bin stocks clean, organized, and Fastenal Blue.

Manufacturer Representatives will be on hand for demos and questions.
