WypAll* Wipers & Scott Towels

Choosing WypAll* Wipers is a simple 2-step process.

Step 1

Determine the level of performance needed...

LIMITED USE EXTENDED USE

WYPALL

Step 2

Determine the delivery system...

Mobile/Portable

Pop-Up* Box
Brag* Box
Small Roll

Stationary
Folded

High Capacity
Jumbo Roll

Look around any workplace:
Equipment, surfaces
and people get dirty.

Our wiping solutions will help
get and keep things clean.

Our Guarantee

Your total satisfaction means everything to us. If, for any reason, our products do not meet your expectations, Kimberly-Clark will reimburse you† for your initial purchase, via FREE product, for up to \$1,000.

For more information on Kimberly-Clark Professional*, visit us online at www.kcprofessional.com, contact your Kimberly-Clark Sales Representative, or call us at 1-888-346-GOKC (4652).

† Guarantee extended to consuming end-user accounts only.

The mark of
responsible forestry

The following information is provided to assist with your buying decisions. Read all instructions and warnings attached to product before use.

It is the responsibility of the user to assess the types of hazards and the risks associated with exposure and then decide on the appropriate personal protective equipment needed for each circumstance. Failure to use only Jackson Safety* designed, produced and tested components, attachments and replacement parts can adversely affect product performance resulting in serious injury.

Jackson Safety* and KleanGuard* Apparel and Hand Protection

Apparel or hand protection should be replaced immediately if ripped, torn, abraded or punctured. Fabrics are not flame resistant unless specified. Keep away from sparks, flames and sources of ignition. Melting fabric can cause severe burns. The information provided within this literature refers to the performance of the fabric only, in the laboratory under controlled conditions. Kimberly-Clark makes no representation that its products will provide complete protection from exposure to contaminants. Thin Mil gloves are for industrial use only, and are not intended for applications involving direct exposure to hazardous chemicals.

Jackson Safety* Eye Protection

- Provides limited eye protection. Additional protective devices are required for full eye coverage and protection.
- Does not protect you from all hazards. Even though the lenses in these safety glasses are impact resistant, they can break and shatter and will not protect you from explosions, all flying debris, and severe impacts.
- Should not be worn to provide protection from other hazards including, but not limited to, extreme temperatures, high heat, airborne dusts or mists, liquid splashes, sports activities and high-energy optical radiation.

Jackson Safety* Face Shields

Will not protect against hazards such as, but not limited to, fragmenting grinding wheels, explosive devices, welding rays, corrosive liquids or molten metal. Some Face Shields do not provide any impact protection. Do not use for protection against lasers, masers, x-rays or gamma rays. Do not use for protection from infrared (IR) or ultraviolet (UV) light unless marked for this protection. Wear only with Jackson Safety* Brand headgear or cap adaptors or other recommended products. Safety eyewear or goggles must also be worn. Do not use solvents for cleaning.

Jackson Safety* Respiratory Protection

Do not use respirators for sandblasting or to protect against asbestos, lead-based paint, pesticides, oil aerosols, vapors or gases. Do not wear respirators when conditions prevent a good facial seal. It is important to fit check the respirator each time it is worn. Jackson Safety* Brand Respirators are not for medical use and should never be altered or modified. Powered air-purifying respirators (PAPRs) help protect against certain airborne contaminants. Do not use the PAPR with parts or accessories not specifically identified as compatible and which are included on the NIOSH approval label for the PAPR.

† Except R95 or P95

Jackson Safety* Hearing Protection

Jackson Safety* Hearing Protection may be adversely affected by certain chemical substances; avoid the use of solvents and other disinfectants. Regularly inspect for tears or cracks and replace if serviceability is suspected to be affected. Corded earplugs should not be used where there is a risk that the connecting cord could be caught up during use.

Head Protection

Use other protection against severe impact hazards, severe penetration, or for blows to the front, side, or rear of head. Jackson Safety* Hard Hats protect the top of head only. Replace hard hat after impact, even if there are no visible signs of damage. Replace headgear after one year, and entire hard hat after five years, even if there are no visible signs of damage. Use only Jackson Safety* Brand hard hat attachments with Jackson Safety* Brand hard hats. Other manufacturers' attachments may fit, but have not been tested for safety and effectiveness. Use only Jackson Safety* Brand replacement headgear specifically designed for your hard hat model. Headgear from other manufacturers (or Jackson Safety* Brand headgear designed for other models) will not provide proper impact protection even if it fits in the shell. Do not use for sporting or recreational activities.

Kimberly-Clark warrants that its products (1) comply with K-C's standard specifications as of the delivery date to K-C's authorized distributors/direct purchasers and are warranted for the following periods from end-user's date of purchase (verified by valid sales receipt) (a) five years for Balder* Technology auto-darkening filters; (b) two years for all other auto-darkening filters; and (c) one year for powered air-purifying respirators; (2) comply with all K-C labeling representations; and (3) are manufactured in compliance with all applicable federal, state, and local laws in effect at the time and place of manufacture of the products. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. K-C is not liable for any kind of special, incidental, or consequential damages. K-C's liability for breach of contract, tort or other cause of action shall not exceed the product purchase price. Purchasers and users are deemed to have accepted the above warranty and limitation of liability, and cannot change the terms by verbal agreement or by any writing not signed by K-C. To the extent required by applicable law, K-C does not limit its liability for death/injury resulting from K-C's negligence.
