

ROCK RIVER

Hand Tools & Accessories Catalog

To Our Valued Customers,

Thank you for the opportunity to present our fast-growing lineup of Rock River hand tools!

As you look through the catalog, keep in mind that these products are manufactured by Fastenal's most trusted domestic and global suppliers – in many cases, alongside the iconic brand-name tools you've relied on for years.

The factories, testing and quality are the same. The difference is that Fastenal owns the supply chain from the factory floor to your local store, enabling us to streamline steps, eliminate mark-ups, and pass the savings along to you. So, if you're looking for industrial-grade tools made by the best manufacturers on earth, you'll find them here ... and more importantly, at your local Fastenal store.

Thanks again for giving Rock River tools a closer look. We're confident that once you experience the quality, you'll want to make them a part of your toolbox for years to come.

**Quality that's worthy of your work
- we guarantee it.**

We have confidence in our products, and we want you to as well. That's why every Rock River hand tool is warranted for life to be free from defects in design, workmanship and material.

We're proud to offer this lifetime warranty, and even prouder that you'll never have to use it.

Impact Sockets

3/8" Drive

Rock River distinguished and characteristic forging enable the socket to form the concentricity in the center. Besides, the fine structure of the socket is stabilized after heat treating so as to provide the best performance and lower the vibration when air wrench is moving with high speed RPMs.

Stepladders

Fiberglass Step Ladders

Inside spreader braces and wide back braces make this ladder durable and stable to use. Great for a wide variety of tasks.

- Multi-function top with tool and bucket holders
- Wide, non-slip steps
- Spreader braces inside fiberglass rails help keep braces from getting hooked or abused in transit
- Heavy duty rubber boot shoe
- Meets or exceeds the safety standards set by ANSI and OSHA
- Type IA 300 lb work load capacity

Part No.	Overall Height
0233336	2 ft
0233337	4 ft
0233417	6 ft
0233418	8 ft
0233425	10 ft
0233338	12 ft

0218173*	7"

* Not available in Mexico.

Twist-Up Solid Paint Marker

FEATURES & BENEFITS

- Marks on virtually any surface: wet, smooth, rough, or hot
- Fast-drying, vibrant paint dries in 5 to 7 minutes
- Weather- and UV-resistant paint for longlasting mark
- Airtight, self-storing cap keeps the marker clean and fresh between uses
- Marking range: 0°F to 392°F (-18°C to 200°C)

INDUSTRY USES

Metal fabrication
Automotive aftermarket
Construction
Welding
Industrial process piping
Shipping supply

SURFACE USES

Pipes and tubes
Glass
Steel and iron
Ceramic
Lumber and timber
Concrete and stone
Rubber and tires
Plastic

Part No. 0220731 Hunter's Combo Gift Set Incl. Thermos, Knife, and Head Lamp

- 25oz Shotgun Shell Thermos
- LED Head Lamp with Batteries
- Camo Knife with Belt Cutter
- Window Breaker
- 4" Stainless Steel Blade

- 25 oz. (3 cup) capacity
- On-touch stopper

- On/Off Switch
- Panel Swivels 50
- 3W LED
- Uses 3 "AAA" Cell Batteries (included)

- Ambidextrous Thumb Studs
- Belt Cutter
- Black Finished
- Liner Lock / Release
- 4" Stainless Steel Blade

Part No. 0220732 Multi-tool and Tape Measure Combo Gift Set

- 11-Function Multi-Tool
- 25' Rubber Coated Tape Measure

- Needle Nose Plier
- Long Nose Plier
- Saw
- Wire Cutter
- Fine Edge Blade
- Medium Slotted Screwdriver
- Drop Point Blade
- 2 Files / Large Screwdriver
- Can and Bottle Opener
- Phillips Screwdriver
- Small Slotted Screwdriver

- Rubber coated for grip and shock resistance
- Multi-colored blade with stud markings
- Push button speed brake
- Rubber bumper absorbs blade shock
- Long-lasting double riveted blade

Warning: Always Wear Safety Goggles.

• **Caution!** Blade is extremely sharp; handle with care.

Brass Stiff Putty Knives with Polypropylene Handle

Non-sparkling & non-magnetic blade, made of solid brass w/ fully hardened & mirror polished. Chisel edged blade is softer than steel for scraping sensitive work piece. Full tang construction.

- For use in hazardous environment
- Non sparking solid brass blade is magnetic free, corrosion-resisted, and will not damage sensitive work
- Full tang construction
- Solid brass blade is fully hardened, mirror polished, and well coated

Use to remove paint, grease, undercoating, gaskets, gaskets, etc. For sensitive and hazardous environment. Also good for auto repair and mechanics use.

Scrapers

Painters Tool

10 functions for multiple use. An ergonomic designed and durable construction putty knife with two kinds of plastic material & dual color cushion handle. Superior quality with fully hardened, mirror polished blade, Duragrip handle w/ rugged polypropylene handle core and heavy duty hammer end.

- An ergonomic designed and durable construction patented putty knife
- 10 functions for users' application
- Superior quality blade with fully hardened and mirror polished
- TPR soft-grip & ergo-engineered handle absorbs shock & reduces worker fatigue
- Built-in striking hammer end to set drywall nails
- Good for professional and DIY users

Patented ergonomic designed putty knife with 10 functions.

1. Cleans paint rollers
2. Opens paint cans
3. Spreads
4. Scrapes
5. Cleans out cracks
6. Set Drywall Nails
7. Nail Puller
8. Concave scraper

0238799

0208001

Jobsite Storage Boxes

Piano Box

Piano Box has 48 cubic feet of flexible storage space. Heavy-loads can be stored on the two full-length shelves. The bottom shelf tilts up for easier access to load bulky items. Deep, wide bolsters and a 12-gauge steel bottom flange add incredible strength to the door. Wide flanges reinforce the body to resist bending. Bolt Cutter Proof Locking System protects the padlocks (not included) inside 12-gauge steel housings. Only the bottoms of the padlocks are exposed. They can not be cut, pulled or pried out.

- Two gas springs assist with opening and closing the door.
- Lifting handles are protected inside tall, deep recesses to prevent pinched knuckles and damage.
- Tall bottom bolsters for easily moving a loaded Piano Box with a forklift.
- Made in USA

Part No.	Width	Depth	Height	Capacity
0219289	60"	30-1/2"	50"	48 Cubic Feet

Shovels

Shovels

Type - Round Point Shovel

Part No.	Handle Material	Handle Length	Handle Type
0204516	Fiberglass	48"	Straight
0204520	Fiberglass	27"	D-Grip
0254530	Ash Wood	48"	Straight
0254532	Ash Wood	27"	D-Grip

Type - Square Point Shovel

Part No.	Handle Material	Handle Length	Handle Type
0204515	Fiberglass	48"	Straight
0204519	Fiberglass	27"	D-Grip
0254531	Ash Wood	48"	Straight

4 GALLON

Part No. 0617195

Easy to Carry, Transport and Store

Specifications:

- 5.0 Peak HP
- 20' Power Cord

1-7/8" Accessories:

- 7' Locking Hose
- Car Nozzle
- Muffler/Diffuser

Filtration:

- QwikLock™ Pleated Paper Filter & Dust Bag

9 GALLON

Part No. 0617200

Offers More Power and Drum Capacity Than the 6 Gallon, But is Still Compact in Size

Specifications:

- 3.5 Peak HP
- 10' Power Cord

1-7/8" Accessories:

- 7' Locking Hose
- 2 Extension Wands
- Utility Nozzle
- Wet Nozzle

Filtration:

- QwikLock™ Pleated Paper Filter & Dust Bag

4.5 GALLON

Part No. 0617196

Hinged Compartments for Self Contained Accessory Storage

Specifications:

- 5.0 Peak HP
- 20' Power Cord
- Hinged Compartments for Self Contained Accessory Storage
- Stores neatly in any truck or garage

1-7/8" Accessories:

- 2'-7' Expandable Locking Hose
- 2 Extension Wands
- Utility Nozzle
- Crevice Tool
- Dusting Brush

Filtration:

- QwikLock™ Pleated Paper Fine Dust Filter & Dust Bag

12 GALLON

Part No. 0617197

The Ultimate Combination of Performance, Drum Capacity & Convenience. Perfect for Messes Large and Small.

Specifications:

- 5.0 Peak HP
- 15' Power Cord

2-1/2" Accessories:

- 7' Dual Flex Locking Hose
- 2 Extension Wands
- Utility Nozzle
- Car Nozzle
- Wet Nozzle
- Locking Sleeve

Filtration:

- QwikLock™ Pleated Paper Filter & Dust Bag

6 GALLON

Part No. 0617199

A Great Utility Vac for Any Clean Up With Compact Size for Easy Storage

Specifications:

- 2.5 Peak HP
- 10' Power Cord

1-7/8" Accessories:

- 7' Locking Hose
- 2 Extension Wands
- Utility Nozzle

Filtration:

- QwikLock™ Pleated Paper Filter & Dust Bag

16 GALLON

Part No. 0617198

Largest and Most Powerful Motor & Biggest Capacity For Someone Who Needs to Get the Job Done Fast & Efficient.

Specifications:

- 6.5 Peak HP
- 20' Power Cord

2-1/2" Accessories:

- 7' Dual Flex Locking Hose
- 2 Extension Wands
- Utility Nozzle
- Car Nozzle
- Wet Nozzle
- Locking Sleeve

Filtration:

- QwikLock™ Pleated Paper Filter

DRY ONLY VACS

6 QUART BACKPACK VACUUM

Part No. 0617209

Specifications:

- 115 CFM
- 744 Watt / 6.2 Amp
- 65" Static Lift
- 68 dBA
- Kit includes Floor Tool, 1-1/2" Wand, Upholstery Tool, Dust Brush and Crevice Too

6 QUART HEPA BACKPACK VACUUM

Part No. 0617210

Specifications:

- 150 CFM
- 1,188 Watt / 9.9 Amp
- 100" Static Lift
- 67 dBA
- Kit includes Floor Tool, 1-1/2" Wand, Upholstery Tool, Dust Brush and Crevice Tool
- HEPA certified for fine filtration

WE SELL LADDERS

Inside spreader braces are inside fiberglass rails to help keep braces from getting hooked or abused in transit.

Large head, dual rivets provide added strength.

Dual bracing for additional solidity and durability while in use, or in transit.

Multi-Function top with tool and bucket holders.

Heavy-duty gusset bracing adds to the stability and the comfort of use.

Wide, non-slip steps add steadiness to every step you take.

0233417

Fiberglass Step Ladders

Inside spreader braces and wide back braces make this ladder durable and stable to use. Great for a wide variety of tasks.

- Multi-function top with tool and bucket holders
- Wide, non-slip steps
- Spreader braces inside fiberglass rails help keep braces from getting hooked or abused in transit
- Heavy duty rubber boot shoe
- Meets or exceeds the safety standards set by ANSI and OSHA
- 300 lb work load capacity

0233426

Extension Ladders

- Non-Conductive Fiberglass Type IA 300 lb capacity, "Quick-Latch" safety on rung locks

QuickLatch® provides easier method of securing fly and base sections when extended. One-finger operation.

Steel swivel safety shoe with metal shield can be used with tread down or in spike position.

Outside slide guides secured to top of base section with four rivets per guide for maximum strength. Over extending stop on fly section.

D-shaped rungs provide greater standing area than round rungs. Fully serrated for slip-resistant surface.

Mar-resistant rail end caps on all rail ends provide rail protection for longer life and protect work surfaces from marring.
