About National IPA

National IPA is redefining the future of cooperative purchasing. The cooperative purchasing organization is dedicated to serving public agencies and educational institutions nationwide. All cooperative agreements have been competitively solicited and publicly awarded by a public agency/governmental entity (e.g. state, city, county, public university or school district), utilizing the best public procurement practices, processes and procedures. The lead agencies are independent of the cooperative allowing the agency to be focused on the best value for the agency.

The National IPA team of tenured certified public procurement professionals, supply chain and cooperative purchasing experts is committed to bringing value to agencies nationwide. Participants may leverage one of the largest pools of purchasing potential, allowing them to receive a combined buying power regardless of their entity's size.
