

IMPACT-PRO CUT HV GLOVES 354 SERIES

Product Notes:

- Comfortable stretch-elastic cuff provides easy on and off flexibility.
- ANSI-107 compliant high-visibility TrekDry® material helps keep hands cool and comfortable.
- Thermoplastic Rubber (TPR) knuckle and metacarpal impact protection.
- Thermoplastic Rubber (TPR) finger guards.
- Durable synthetic leather palm lined with high-tenacity fibers delivers ANSI A3 cut resistance.
- Pinched fingertip construction repositions vulnerable seams and improves wear.
- Armortex® grip reinforcement provides added fingertip durability.
- Foam palm padding absorbs impact and vibration from hand tools
