**TECHNICAL EDUCATION  
PROGRAM**

# What is TEP?

Introducing the new Technical Education Program by GearWrench. This program of carefully designed sets provides the Student Technician with the tools necessary to conquer the service and repair challenges in today's Automotive, Heavy Duty/Diesel, Machinery, and Aviation fields.

Each set features innovation in speed, access and design that has come to define the GearWrench brand, recognized around the country as the leader in quality, professional hand tools.

In addition, GearWrench builds each set to offer tool storage for sockets, wrenches, screwdrivers and other categories to get you started in good tool organization. Sets also come with a selection of KD Automotive Specialty Tools to help make Tough Jobs Easy.

To view our complete line of over 2,000 GearWrench hand tools visit [www.gearwrench.com](http://www.gearwrench.com) and GET IT DONE!

## Guaranteed for life!

GearWrench hand tools are warranted for life to be free of defects in material and workmanship. If any GearWrench hand tool, when used for its intended purpose, fails to give you complete satisfaction, return it for repair or free replacement.

## GearWrench - The Tools Professionals Turn To

GearWrench understands the environment you work in better than other companies in the hand tool business because we work side-by-side with technicians just like you to learn about your frustrations firsthand and develop innovative, new hand tools that solve your day-to-day problems.

At GearWrench, we believe in giving you the best value possible. We know you will make a living with your tools and you need just the right tools to help you work smarter and faster. Across various tool categories, we deliver superior products that do just that. Our commitment to delivering the most durable and reliable products while adding time saving features makes this possible.

**GearWrench helps professionals GET IT DONE.**
