

Folding Security Gate, Aluminum, Powder Coat Finish

This product standard contains the required dimensional, mechanical, performance, and chemical characteristics of the products shown in this purchase order (as applicable to the product). Unless specified below, current revisions of national or international standards shall be applicable as of the date of Fastenal's purchase order and must be adhered to in their entirety. If the order received does not meet these requirements, corrective action may be issued which could jeopardize your status as an approved supplier to Fastenal.

Part Number	Expanded Width (ft.)	Retracted Width (in.)	Retracted Height (in.)
0506668	Nominal		
	12	30.5	56.75
